HELP WANTED: U.S. CONGRESS

William Jud

U.S. Constitution, Article 3, Section 3: "Treason against the United States, shall consist only in levying War against them, or in adhering to their Enemies, giving them Aid and Comfort."

U.S. Constitution, Article 6: ". . . Senators and Representatives . . . shall be bound by Oath or Affirmation, to support this Constitution . . ."

U.S. Constitution, Article 1, Section 8: (Congress shall have power) "To provide for calling forth the Militia to execute the Laws of the Union, suppress Insurrections and repel Invasions."

U.S. Constitution, Article 2, Section 1: "Before he (the President) enter on the Execution of his Office, he shall take the following Oath or Affirmation: 'I do solemnly swear (or affirm) that I will faithfully execute the Office of President of the United States, and will to the best of my Ability, preserve, protect and defend the Constitution of the United States'."

These are among the many jobs that the U.S. Constitution requires the President, U.S. Senators, and U.S. Representatives to do. Failure to do any of those jobs is sufficient grounds to terminate the employment of the President, a Senator, or a Representative.

Legislative Malpractice is further justification for removal from office. Not only are some members of Congress not doing their Constitutionally assigned jobs for the American people, as Article 6 requires, they are actively engaged in tearing down America and in giving America's enemies "Aid and Comfort."

The best thing to come from the recent, massive Street Demonstrations of Illegal Aliens (NOT illegal Immigrants), was to show unequivocally the huge and growing size of the problem, the mindset of the demonstrators, and their aggression toward these United States.

Demonstrators carried Mexican flags. Demonstrators proudly flaunted their Mexican nationality and their rejection of any desire to become U.S. citizens. Their message, loud and clear, was "Screw you Gringos. We're just here for the money and welfare benefits."

The other message was "This is OUR land. We will drive you Gringos out and take back your land for Mexico."

The Mexican organization MEChA - Movimiento Estudiantil Chicano de AZTLAN (Chicano Student Movement) is a student organization militantly demanding the Mexican "Reconquista" or "re-conquest" of our southwestern states that after the Revolution would be returned to Mexico.

MEChA's 'El Plan Espiritual de Aztlán' (the spiritual plan for Aztlán) states: "In the spirit of a new people that is conscious not only of its proud historical heritage but also of the brutal "gringo" invasion of our territories, we, the Chicano inhabitants and civilizers of the northern land of Aztlán [Colorado, California, Arizona, Texas, Utah, New Mexico, Oregon and Washington] from whence came our forefathers, reclaiming the land of their birth and consecrating the determination of our people of the sun, declare that the call of our blood is our power, our responsibility, and our inevitable destiny. We are free and sovereign to determine those tasks which are justly called for by our house, our land, the sweat of our brows, and by our hearts. Aztlán belongs to those who plant the seeds, water the fields, and gather the crops and not to the foreign Europeans. We do not recognize capricious frontiers on the bronze continent."

MEChA's premise is fraudulent. Ancestors of most modern Mexicans were Europeans who immigrated to Mexico from Spain, displacing Mexican Indians who lived there. Mexico was originally a Spanish colony that conquered Aztecs and other tribes in that region.

To be consistent in their demand for land repatriation, Mexicans demonstrating on U.S. streets would have to 'reclaim Aztlán' for the Mexican Indians. Everyone else in Mexico who is not a direct, full-blooded descendent of the original Mexican Indians is a 'foreign European' who must return to Spain.

The Mexican street demonstrators are a hostile, invading army. They fully intend to overthrow the U.S. Government and install their own brand of International Socialism. They fully intend to push out existing U.S. citizens and take our land and property. They come as thieves under the camouflage of 'Guest Workers.' 'Guest Workers' never go home.

Congress and President Bush are aiding, abetting, and giving comfort to this invading army of Mexicans. They do this in violation of the requirements for holding office as stated in the U.S. Constitution, Article 1, Section 8, and Article 3, Section 3. Failure to protect U.S. citizens is a violation of the U.S. Constitution, Article 6. Senators and Representatives who refuse to protect U.S. citizens from the Illegal Aliens hostile invading army are in violation of their Oath or Affirmation to 'support this Constitution.' If those elected officials remain in office they do so fraudulently, criminally and illegally. Those elected officials must be removed from office immediately and permanently.

Thirty nine Senate Democrats and 23 Republicans approved an immigration bill that gives amnesty to Illegal Aliens already here. Those 62 Senators are in violation of the U.S. Constitution, Article 3, Section 3, Article 6, and Article 1, Section 8. Those 62 Senators voided their office. If they remain in office they do so illegally, unconstitutionally, and criminally.

We will see what happens with this immigration legislation in the House of Representatives, and with President Bush. But the House has its own internal housecleaning to do.

Socialism and the U.S. Constitution are mortal enemies. A person can be a Socialist, or can support the Constitution, but cannot do both.

Within the House of Representatives is an internal organization, the Democratic Socialists of America, DSA, and another called the Progressive Democrats of America populated by ultra-left Socialist Democrats in Congress.

Congressional Socialists are closely linked with Communist and Socialist organizations dedicated to overthrowing the U.S. government. Several of those subversive organizations were organizers of the Illegal Aliens Street Demonstrations of recent weeks. Those subversive organizations work tirelessly toward violent overthrow of the U.S. government and conversion of America to Socialism/Communism. To achieve this end, all of America's land, wealth and property must be given away to Mexico and Third World nations. White, Christian Americans must be eliminated.

Where are the "good-hearted folks" that President Bush said will be our Guest Workers (who never go home)? We are importing Revolutionaries and potential Terrorists, not helpers who "will do the work that Americans will not do." Congress and President Bush are giving Aid and Comfort to a hostile invading army bent on our complete destruction. Does that sound like Treason? You bet it does!

The Senate's immigration bill includes eventual U.S. citizenship for the Illegals. Illegals will get Earned Income Credit refunds on their taxes. The U.S. government must get the okay from the Mexican government to build a border security fence. Social Security retirement payments will go to Illegals and survivor payments to their families. In-state college tuition is authorized for Illegals. Can't-be-fired employment is guaranteed, at prevailing (not minimum) wage. Taxpayer dollars will flood into Immigrant Rights Socialist/Communist organizations that supported the street demonstrations.

Treason? YES! Legislative malpractice? YES! Sufficient grounds for immediate termination of service of a whole bunch of Senators and Representatives? HELL YES!

Every elected official who votes, or voted, in favor of the Senate immigration bill needs to be removed from office immediately and prosecuted as an Enemy of these United States.

It's time for wholesale housecleaning in Congress.

Remember this Congressional sellout during the coming national elections.
